RE: Asbestos Report

The Taylor Community School Corporation is committed to providing an environmentally safe climate for students, employees and parents of our schools.

In accordance with federal and state regulations regarding asbestos removal and containment, Taylor Community School Corporation has state approved companies inspect our school facilities for any asbestos hazards. The inspections occur every three years.

The current report reveals Taylor Community School Corporation meets all federal and state guidelines regarding asbestos removal and containment.

This report is available to the public and may be reviewed at Taylor Community School Superintendent's Office.

Thank you,

Christopher A. Smith, Ed. S.
Superintendent of Taylor Community Schools
